

Terms and Conditions

Last updated: 1 October 2026 · as PDF · This is a translation; the German version is legally binding.

These terms apply to the **Timatch** app (iPhone, iPad, Apple Watch, Apple TV), the web version **Timatch Web** (app.timatch.de), the **Timatch account** and **Timatch Pro**. The cancellation policy and the model withdrawal form follow below.

1. Provider

The provider is Jaime Taboada Aparicio, Langenkamp 14, 22880 Wedel, Germany, email hello@timatch.de ("I"). See the legal notice for details.

2. What Timatch is

Timatch times turns at the table, keeps track of plays, scores, people and your game collection, and analyses them. The basic features are free. Some features are part of **Timatch Pro**; which ones is shown on the Pro page in the app or in Timatch Web before you buy.

I keep developing Timatch. Features may change in the process, as long as the core of what you bought with Pro remains.

3. The Timatch account

The account is optional and free. You sign in with a link or code by email, or with Apple or Google. Please use an email address only you can access, and sign out on devices that are not yours.

You can delete the account at any time in the settings. Your data on the server is then deleted, and a running Pro subscription in Timatch Web is cancelled. Data stored on your devices stays there.

4. Timatch Pro in the App Store

If you buy Pro in the iPhone or iPad app, you buy through Apple. Payment, renewal, cancellation and refunds are then governed by Apple's terms (Media Services Terms and the standard licence agreement). You cancel subscriptions in your Apple ID settings and request refunds from Apple. If you are signed in with your Timatch account, Pro also applies in Timatch Web.

5. Timatch Pro in Timatch Web

Plans. Timatch Web offers Pro as a monthly subscription, a yearly subscription and a one-time purchase ("Forever"). The prices shown on the Pro page and on the payment page apply; they are final prices.

Immediate unlocking. Before purchasing, you confirm on the Pro page that Pro should be unlocked immediately. What this means for your right of withdrawal is set out in the cancellation policy. After the purchase you receive a contract confirmation by email with these terms as a PDF.

Conclusion of contract. You choose a plan on the Pro page and are taken to Stripe's payment page, where you can check and correct your details. Clicking the pay button is a binding offer; the contract is concluded once the payment is confirmed. You receive a confirmation by email. The contract language is German or English.

Payment. Payment is handled by Stripe with the payment methods offered there. Subscriptions are charged in advance at the start of each period.

Term and cancellation. The monthly subscription runs for one month, the yearly subscription for one year. Both renew automatically for the same period unless you cancel before it ends. You can cancel at any time with effect from the end of the current period, also without signing in via the "Cancel contracts here" button in Timatch Web, as well as in Stripe's customer portal or by email to support@timatch.de. You receive a confirmation of the cancellation by email. Pro stays active until the end of the paid period.

One-time purchase. "Forever" is paid once and does not renew. Pro stays unlocked for as long as I offer Timatch.

Price changes. New prices apply to new purchases. For a running subscription a new price only applies if you agree to it; if you don't, the subscription continues at the old price until the end of the period and then ends.

6. Right of withdrawal

As a consumer you have a right of withdrawal for purchases in Timatch Web; see the cancellation policy. Purchases in the App Store are governed by Apple's rules.

7. Availability

The app works without internet. The account, sync and the table display in the browser need my server. I aim to keep it available at all times but cannot guarantee it, for example during maintenance or outages at service providers. You can export your data as a file at any time.

8. Your content

Plays, people, games, notes and photos you enter belong to you. You allow me to store, transfer and display them as far as needed for the account, sync and table display, and for nothing else. Please only enter content you are allowed to use, and respect other people's rights to their photos and names.

9. Third-party content

Game data and images from BoardGameGeek, maps from OpenStreetMap and Apple, and sign-in with Apple and Google come from third parties. I cannot guarantee their accuracy or availability; their terms apply as well.

10. Liability

I am liable without limitation for intent and gross negligence, for injury to life, body or health, and under the German Product Liability Act. For slight negligence I am only liable for breach of an obligation whose fulfilment makes the proper performance of the contract possible in the first place and on which you may rely; liability is then limited to the foreseeable damage typical for the contract. Otherwise liability for slight negligence is excluded. For loss of data I am only liable to the extent that would have occurred had backups been made regularly.

11. Discontinuing services

If I discontinue the account or Timatch Web, I will announce it at least three months in advance, and you can export your data beforehand. Running subscriptions then end; I

refund the pro-rata amount for time already paid after the end. You can keep using the app on your device.

12. Final provisions

German law applies, excluding the UN Convention on Contracts for the International Sale of Goods. If you habitually reside in another EU country, the mandatory consumer protection rules of that country remain unaffected. I do not take part in dispute resolution proceedings before a consumer arbitration board. If a provision is invalid, the rest remains valid.

Cancellation policy

This policy applies to purchases of Timatch Pro in Timatch Web by consumers.

Right of withdrawal

You have the right to withdraw from this contract within fourteen days without giving any reason. The withdrawal period is fourteen days from the day the contract is concluded.

To exercise your right of withdrawal, you must inform me (Jaime Taboada Aparicio, Langenkamp 14, 22880 Wedel, Germany, email support@timatch.de) of your decision to withdraw from this contract by an unequivocal statement (e.g. an email or a letter sent by post). You may use the model withdrawal form below, but it is not obligatory.

To meet the withdrawal deadline, it is sufficient for you to send your communication concerning your exercise of the right of withdrawal before the withdrawal period has expired.

Effects of withdrawal

If you withdraw from this contract, I shall reimburse all payments received from you without undue delay and in any event not later than fourteen days from the day on which I am informed about your decision to withdraw from this contract. I will carry out such reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of such reimbursement. With the withdrawal, Pro ends for your account.

If you requested to begin the performance of services during the withdrawal period, you shall pay me an amount which is in proportion to what has been provided until you have communicated to me your withdrawal from this contract, in comparison with the full coverage of the contract. This applies to the monthly and yearly subscriptions.

Early expiry for the one-time purchase

For the one-time purchase "Forever" (digital content), your right of withdrawal expires early once I have begun performing the contract after you expressly agreed that I begin before the end of the withdrawal period, confirmed your acknowledgement that you thereby lose your right of withdrawal once performance begins, and I have provided you with a confirmation of the contract on a durable medium (email).
